Creating Dialogue for TV

Screenwriters Talk Television

Monika Bednarek, The University of Sydney, Australia

Series: Routledge Studies in Media Theory and Practice

As entertaining as it is enlightening, Creating Dialogue for TV: Screenwriters Talk Television presents interviews with five Hollywood professionals who talk about all things related to dialogue – from naturalistic style to the building of characters to swearing and dialect. It provides direct insights into Hollywood writers’ knowledge and opinions of how language is used in television narratives, and in doing so shows how language awareness, attitudes and the craft of using words are utilised to create popular TV series. The book will appeal to students and teachers in screenwriting, creative writing and linguistics as well as lay readers.
